

Celebrating Pi Day!

THURSDAY, MARCH 14, 2024

Join us at the clubhouse to celebrate pi/pie day! The social committee will be providing pizza pie to start us off. Bring your favorite pie (hopefully homemade!) to share and a free will donation to help cover the pizza costs. Sample the pies and maybe you'll find a new favorite!

It is imperative that you RSVP to Linda Kincel at 412-744-4030 or cell 412-559-8780, or Paula Calhoun at 412-795-3577 or cell 412-956-2679 by Friday, March 8, 2024 so the committee knows how much pizza to buy.

The Isles at the Highlands Pie Social

Satisfy your
sweet tooth.

Pizza Pie

As always, bring
your own drinks

Time: 6pm - ?

Pi is an irrational number, but eating pie to celebrate Pi Day is a rational decision. Pi Day is appropriately celebrated on March 14 because, as we all remember from our high school geometry classes, pi is approximately 3.14.
