Anyone interested in watching the October 9<sup>th</sup> Steelers/Jets matchup as a group – put on your black and gold, grab your Terrible Towels, and meet up at the clubhouse. This game is being broadcast on CBS so we should have no reception problems. Keep in mind though that what was once a 'big screen' TV when the clubhouse was built 9 years ago will seem smaller than most people's home sets today. Bring a snack to share and your own beverages (as always). No need to RSVP to this event (more than half the residents never do anyway).
