SPOTLIGHT ON THE RESIDENTS

Carol and Carl Johnson and their very friendly maltipoo Lilly were the 3rd family to move into the Isles. They lived in Holiday Park before the move to 732 Glengarry Court (back) which was the first quad.

They are both natives of Pittsburgh, Carl grew up in Wilkinsburg and Morningside but Carol's family moved when she was a baby to Muncy in central Pennsylvania where she grew up. Carol moved back to Pittsburgh in 1976.

They met in 1977, dated five years and then married joining their families. They were the "Brady Bunch" with 3 girls and 3

boys. Thirty-four years later they have 17 grandchildren ranging in age from 3 to 30 years of age, they also have 5 great-grandchildren.

Carl worked for Allegheny County Adult Probation for 40 years

serving as a Hearing Officer at the County Jail for the last 15 years, he has been retired for 17 years. He is a very good cook and prepares delicious meals.

Carol continues to work full time as an Employment Specialist at Community College of Allegheny after a long career as a teacher. She serves on the Executive Board of the Plum Senior Center and is a member of the Isles Board. They attend Holiday Park United Methodist Church and keep very busy attending events, spending time with their grandchildren, traveling and enjoying all their family.

AROUND THE ISLES

This year the following asphalt areas were resealed by RDK:

The clubhouse parking lot and condos at 700, 704, 708, 720, 724, 728, 732, 733, 737, 760, 764, 768 and 772.

There is a weed issue in the lawns at the Isles. We had been working with Tru Green to fix the issues, with no positive end result. They were fired recently and the association denied payment for their last treatment.

SUMMERTIME, AND THE LIVIN' IS EASY!

Summertime is always the best of what might be.

WORD OF CAUTION!!!

HEAT STROKE IS THE MOST SERIOUS FORM OF HEAT INJURY AND IS CONSIDERED A MEDICAL EMERGENCY. IF YOU SUSPECT THAT SOMEONE HAS HEAT STROKE - ALSO KNOWN AS SUNSTROKE - CALL 911 IMMEDIATELY AND GIVE FIRST AID UNTIL PARAMEDICS ARRIVE.

PATIO ROOFS

Many Isles residents have already opted to add permanent roofs to their patios. I am posting Tom Boney's contact information here for any residents who are still contemplating such a project. Tom has built numerous patio roofs here at the Isles and does beautiful work! He is currently building the pavilion for the Highlands single family homes on Edenburg Drive.
