ISLES POOL

The community pool will be open for Memorial Day weekend. If you did not sign up for a week of pool testing at the COA meeting, please contact Laura Abbot DeCarolis to schedule your week or sign up as an alternate. Self-testing saves the association money and helps ensure we are in compliance with Allegheny County's requirements.

SPOTLIGHT ON

This issue's Spotlight is **Judi Anderson**:
 "Well, I can't say I have traveled far when you consider that I was born in Unity, bought my first house on Leechburg Road and then bought here. However I have traveled extensively and enjoyed every moment. I graduated from Penn Hills High School in 1966 and went on to IUP for my bachelors degree and masters in Art Education. I came back to Penn Hills and taught art to elementary students for 32 years, a job I loved. In between I also taught gifted studies and computer. One of the great benefits of teaching is the ability to travel which I have done. My first trip was to England, Spain, Switzerland, Italy and Germany. I have made the trip back to Italy over ten times from which you can surmise, it is my favorite, The art thingy, not to mention the food. I have also been to Belgium, the Netherlands, Sweden and Finland. And in the US, Arizona, Montana, Florida. Maybe more, who is counting?"

Me with newest family member, great niece, Raelyn

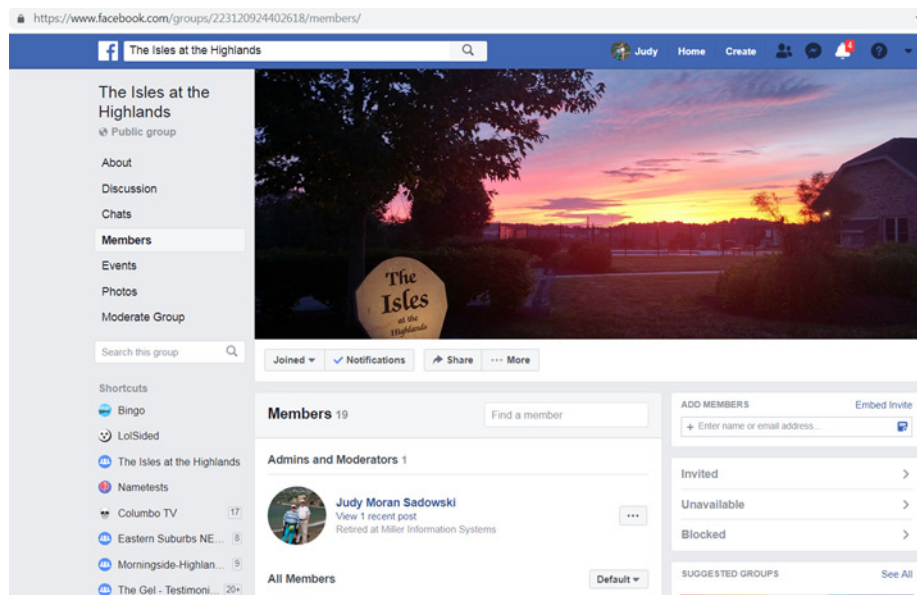

A serious car accident forced me to retire early at 52. Forced is a harsh term for something that turned out to be so fulfilling. I have been able to focus on things that I enjoy. I got a part time job at Mystery Lovers in Oakmont where I met many famous authors and many

more fabulous readers, not to mention new friends. Working for Mary Alice and Richard with Buff, Margo and Kathy O. was a life changing event. I started working in another new medium, collage. Picture gluing down hunks of paper. A lot quicker than the weaving and cross stitch designing I had been doing. I have been selling my work at The Center for The Arts in Shadyside for over twenty years. Won't ever pay the bills but it keeps me out of trouble and in the garage where I have set up a small studio. Stop by if the door is open. I moved here four years ago. It was unplanned and a total surprise but oh so rewarding. It was a perfect fit, caring neighbors, no stairs, and a totally new home from the ground up. My other house had been in my family since 1927. I miss the garden which was extensive but I couldn't keep up with it. That is the other thing I like about The Isles, we are all in the same boat more or less and take time to be a good neighbor."
